H. C. Bangs, Esq.
Glencoe, Ill.

Dear Sir:

Through the Franklin Square Agency we have been informed that you desire a copy of the American Journal of Numismatics. This publication was temporarily discontinued a few years ago - just when we will again publish the Journal, we do not knew.

In place of the Journal, we are now issuing "Numismatic Notes and Monographs". The enclosed list will give you a fair idea of those published in 1921. All our members are entitled to these monographs issued after they have been elected. Associate Membership dues are but Five Dollars, and you can readily see that the monographs amount to more than this.

Besides receiving the publications issued by the Society, members are notified of the various meetings and are privileged to subscribe for any of the medals issued by the Society. Not long ago this Society issued a medal to commemorate the visit of Marshal Foch to this country. I am enclosing herewith a circular describing this medal so that you may understand the type of medals we offer to our members.

If you decide to accept this invitation to become a member of our Society, please sign the enclosed card, and upon its receipt it would be presented to our Council for action.

Very truly yours,

SPH/E
